CAREER PROFILE

- I can bring positivity, support, and a creative mindset to any team.
- Having a desire and passion for continuous professional development, I am confident to add value to your organization by always ensuring your customers and clients receive the best service possible.
- With more than 20 years of experience in every aspect of SDLC, I can be relied upon to deliver everything I set out to achieve, whilst always seeking ways to help my employer grow and save them money simultaneously.

EXPERIENCE

Project Manager Jun 2013 - Current
BJIT Ltd. - Dhaka, Bangladesh

- Participate in all stages of SDLC.
- Facilitate communication between internal personnel, contractors, and vendors for project cohesion.
- Served as a technical lead (through coaching, counseling, and monitoring the team) and assigned tasks to members based on specialties.
- Achievements:** Implemented a reusable data grid in Zend Framework, which was integrated into several projects. Initiated the usage of Laravel Framework in the company for its built-in data chunking facility while working with a high volume of data. Was promoted as Project Manager from Senior Software Engineer for successfully leading teams of 4 to 8 members in some prestigious Japanese and European projects
