<b>Team Size</b>	Two in a team
<b>Platform Used</b>	Swift 3.0 to 4.0, Alamofire, toast, sideMenu, xcode 8.3.2 to 9.2, ios 11 to 12.3, Cocoa Touch, Firebase(APNS), Mapkit, Crashlytics,Localization(English, Arabic), CoreData.

## CAREER HIGHLIGHTS

---

- Good experience in Software Engineering and Mobile Application Development.
- Working Experience in iOS (iPhone, iPad) Application Development.
- Having good experience in Swift, XML/JSON parsing, web services calling (REST)
- Experience in Swift 3 to Swift 5.
- Knowledge on Cocoa pods, Cocoa, Cocoa Touch, Core Data
- Good experience in Core Data, SQLite.
- Strong knowledge in Social Networking Integrations like Facebook, Gmail, LinkedIn, Twitter
- Adequate Knowledge in Source Control Tools in Git Repository.
- Use storyboard / Swift code to produce perfect screens as per designer specifications
- Follow best practices and create modular code.
- Good knowledge on Usability and Human Interface guidelines.
- Worked in a high pressure to reach product quality standards and delivery dates of the product/apps.

- Strong Programming abilities in Objective-C, Cocoa Touch Framework.
- Strong technical skills, knowledge about latest standards.
- webRTC(Real time communication for voice calls and video calls with STUN,TURN ICE Servers) with socket.io programming.
- Good Knowledge on Instruments tool for detect and fix memory management issues in code using the allocations and leaks instruments
- Having good skills on a.Software development lifecycle. b.Bug tracking. c.App publish over App-Store. d.Third party integration. e.Size classes and Auto Layout. fStoryboard, XIB, TableView, Collection view.
- Design patterns used :- a. MVC(Model-view-controller),  
b. MVVM (Model–view–viewmodel)
- Having good knowledge on all types of notifications such as local notifications, remote notifications, delegates, Observers like(kvo,kvc)

## TECHNICAL SKILLS

---

- **Programming Languages** - Objective C, Swift 3 to Swift 5
- **Software Tool (IDE)** - Xcode 8 to Xcode 13.4
- **Database** - Core Data, SQLite,
- **Web Technologies** - JSON Parsing, XML, RESTFUL API.
- **Frameworks** - COCO Touch, Mapkit, Social App Integrations etc.
- **Operating System** - MACOS, Windows7, Windows 8.1, Windows 10.
- **Development Methodology** - Object Oriented Programming.
- **Version Control Tool** - GitHub. SourceTree
- **Other Languages** - C, HTML5, CSS3.0.

## ROLE & RESPONSIBILITIES

---

- Understanding the current requirement of the project.
- Involved in planning and coding and optimizing it for a maximum performance
- Flexible to learn new technologies.
- Good understanding of Object Oriented design and various design patterns
- Ability to understand and master new technologies quickly
- Understanding of XML/JSON based Restful APIs.
- Strong focus on quality and generating result
- Design and build advanced application for the iOS platform collaborate with cross- functional teams to define & design and ship new features.

- Continuously discover, evaluate and implement new technologies to maximize development efficient.

## EDUCATION QUALIFICATION

---

Course	Institution	University board	Aggregate	Year of passing
B. TECH Mechanical (spec in Automotive. Engineering)	Vellore Institute of Technology (VIT University, Vellore)	Vellore Institute of Technology (VIT University)	77%	2016
XII	Narayana Junior College, Vijayawada	State Syllabus Board (SSC)	87.5%	2012
X	Viswa Jyothi Public School, Guntur	State Syllabus Board (SSC)	91%	2010

### Internship:

---

I have successfully completed my 30 days training program in the 2 wheeler Honda service center pvt.ltd company.

**ARAI:** I have completed the “PIP (Program Induction Program) in the ARAI during the period of july10-july18,2015.

### Personal Profile:

- Date of Birth: 19 Nov, 1994
- Languages Known: English, Telugu, Hindi and Urdu
- Interests: Yoga, Cricket, Swimming and Travelling

**Declaration:** I hereby declare that all the above mentioned information is true to the best of my knowledge. All necessary certificates and mark sheets required will be provided at the time of personal interview.

**Place: Bangalore, Karnataka**

**{Shaik Baji Baba}**
