Introduction

Hi Jasmine Kate Patiño, 23 yrs old from the Philippines. I'm a Web Developer, Programmer, UX/UI Designer, also a Graphic Artist/Designer and Video Editor. Me, myself knew that I can help you with your future projects. I can contribute my knowledge in developing websites. I'm well experienced in these languages and programs (HTML,CSS, JAVASCRIPT, PHP, MYSQL,PHP,C++, PYTHON, & JAVA).

Resume Objective

I'm a versatile, talented student and a Freelance IU and UX Designer/Web Developer/Web Designer/ Graphic Designer, I also had a knowledge of Motion Graphic Design and I Freelancing as Video Editor . I'll be much more thankful if I got the chance to work in your company and do the exciting tasks.

Interest

Singing, dancing, unwinding with nature, astronomy, coding, I love to explore new things/discoveries

Work Experiences

Job Title: Management Information System Student Assistant

Job Area: Universidad de Zamboanga, Brgy. Tetuan Zamboanga City

Job Role: Student Scholar/Student Assistant/ Radio Junior Jockey on UZ Happy Radio/ Student Admin

Started Date: **Ended Date:**

June 2019   June 2020

Job Description:

        I'm a Student Scholar at Universidad de Zamboanga for the Academic year 2019-2020. I got passed on IQ EXAM and they gave me free full tuition as a reward for my Intelligence Quotient Exam, and study free in one of most prestigious University here in Philippines. I experienced to be a Student Assistant, Radio Jockey, Student Admin and Awarded as Public Relation Award for my excellent performance. But as you can noticed its just for 1 year, because due to Covid Pandemic they ended it up, because we can't able to duty everyday. And my family can't afford to pay the heavy tuition. So I decided to stop my schooling and stay at home. And continue schooling at the year 2021 up 'til now.

Job Title: Freelance Web Developer at Finmod Accounting Soluion

Started Date: **Til:**

February 2024   Present

Job Description:

        As Website Developer Partner, I do task in coding. The owner/ sole proprietor sends designs thru pptx format and I do it on their online file manager to send updated designs (pure coded) on their website.
